

Safety Data Sheet

AlbaChem® Citrus Screen Opener

Section 1. Identification

Product Identifier

Other Means of Identification

Recommended Use of the Chemical

Manufactured by

Citrus Screen Opener

1634

Date of Revision: 1-12-26

See label for use instructions.

Albatross USA, Inc.

36-41 36th Street Long Island

City, New York 11106, USA

5447 San Fernando Road West

Los Angeles, California 90039, USA

718-392-6272

Spill, leak, fire, exposure or accident – Call CHEMTREC – Day or Night

1-800-424-9300 or 1-703-527-3887 (USA & Canada) 01-800-681-9531 (México)

Telephone Number

Emergency Telephone Number

Restrictions on Use

None known.

Section 2. Hazard Identification

Classification of the Chemical

Flammable Aerosol, category 1

Aspiration Hazard, category 1

Sensitization – Skin, category 1

Signal Word

DANGER

Hazard Symbols

Hazard Statements

Extremely flammable aerosol. Pressurized container: may burst if heated. May be fatal if swallowed and enters airways. May cause an allergic skin reaction

Precautionary Statements

Keep away from heat, hot surfaces, sparks, open flames and other ignition sources. No smoking. Do not spray on an open flame or other ignition source. Do not pierce or burn, even after use. Wear protective gloves. Avoid breathing spray. Specific treatment (see FIRST AID section on this label). Contaminated work clothing must not be allowed out of the workplace. Protect from sunlight. Do not expose to temperatures exceeding 122°F (50°C). Store locked up. Dispose of container to recyclables when completely emptied. Keep out of reach of children. IF SWALLOWED: Immediately call a poison control center. Do NOT induce vomiting. IF ON SKIN: Wash with plenty of water. If skin irritation or rash occurs: Get medical advice. Take off contaminated clothing and wash it before reuse

Note

Labeling elements found on this SDS may be different from labeling elements found on the label. Labels may be regulated by a different government agency. Please contact the party responsible in Section 1 if you have any questions.

Hazards Not Otherwise Classified

None known.

0% of the chemical consists of ingredient(s) of unknown acute toxicity.

Section 3. Composition of Ingredients

Name	CAS / EC	wt%	Hazards	M-Factor
Naphtha (petroleum), hydrotreated heavy	64742-48-9 923-037-2	30-60	Asp. Haz. 1; Flam. Liq. 3	-
D-Limonene	5989-27-5 227-813-5	10-30	Flam. Liq. 3; Asp. Haz. 1; Skin Irrit.2 ; Skin Sens 1b	-
Petroleum Gases, liquefied	68476-86-8 270-705-8	10-30	Flam. Gas 1	-

Trade Secret Claim

When applicable, the specific concentration of each hazardous ingredient is considered a TRADE SECRET. Chemical names and identifiers will be listed in exact composition weight and name when not subject to trade secret exemptions

Note

This product may contain other ingredients that are not required to be disclosed on this safety data sheet or product label in accordance hazard communication standards. Any ingredient not listed on either the SDS or label is not considered hazardous to health and shouldn't pose a risk to the user

Safety Data Sheet

AlbaChem® Citrus Screen Opener

Section 4. First Aid Measures

General First Aid Measures

Take product label or this safety data sheet when seeking medical care

If Inhaled

Move people to fresh air and keep at a comfortable position for breathing. Administer artificial respiration if person is not breathing

If on Skin

Wash with soap and water. Take off contaminated clothing and wash it before reuse.

Most Important Symptoms and Effects, both acute and delayed

The most important symptoms are described in Section 2.

Indication of Immediate Medical Attention

Seek immediate medical attention if swallowed as aspiration could be fatal.

If in Eyes

Rinse with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If Swallowed

Do NOT induce vomiting unless instructed to do so, by a trained medical professional. Rinse mouth with water

Section 5. Fire-Fighting Measures

Suitable Extinguishing Media

Water spray, carbon dioxide, sand, powder extinguisher, and dry chemical

Unsuitable Extinguishing Media

None known

Advice and Precautions for Fire-Fighters

None known.

Specific Hazards

None known.

Hazardous Combustion Products

None known

Special Protective Equipment

Not determined

Section 6. Accidental Release Measures

Personal Precautions

Remove non-emergency personnel from the area in an orderly fashion.

Protective Equipment

Use appropriate chemical-resistant gloves and eye protection.

Environmental Precautions

Not determined

Emergency Procedures

Cover drains to prevent spill from entering waterways. Evacuate non-emergency personnel from the area. Shut off all sources of ignition

Methods of Containment and Cleanup

Cover drains and ventilate area to prevent vapor buildup. For small spills, wipe with an absorbent material. For large spills, collect with sawdust, sand, or binder before cleaning. Place in an area appropriate for disposal.

References

See Section 7 for information on safe handling. See Section 8 for information on personal protection equipment. See Section 13 for disposal information

Section 7. Handling and Storage

Conditions for Safe Storage

Keep cool in a well-ventilated place away from sunlight. Ensure local and adequate ventilation. Keep container tightly sealed in its original container.

Specific End Uses

Not determined.

Precautions for Safe Handling

Keep away from all ignition sources. Do not smoke while handling

Storage Incompatibilities

None known

Section 8. Exposure Controls and Personal Protection

Occupational Exposure Limits and Control Parameters

Safety Data Sheet

AlbaChem® Citrus Screen Opener

Name	CAS / EC	TWA	STEL	NATION
Naphtha (petroleum), hydrotreated heavy	64742-48-9 923-037-2	500 ppm (OSHA)	n/a	USA
D-Limonene	5989-27-5 227-813-5	n/a	n/a	USA
Petroleum Gases, liquefied	68476-86-8 270-705-8	n/a	n/a	USA

General Note

Practice good industrial hygiene.
Wash hands after handling and use.

Appropriate Engineering Controls

Ensure mechanical ventilation. Use local exhaust ventilation. Eye washing stations and showers

Eye and Face Protective Equipment

Wear glasses, goggles, or another form of
Chemical resistant eye protection

Environmental Protective Equipment

Not determined

Skin Protective Equipment

Wear gloves suitable for chemical resistance

Respiratory Protective Equipment

Not determined

Thermal Hazards

None known

Biological Limit Values & Exposure Standards

Not determined

Section 9. Physical and Chemical Properties

State	Aerosol, liquid.
Color	Not determined.
Odor	Not determined.
Odor Threshold	Not determined.
Melting Point	Not determined.
Boiling Point	Not determined.
Flammability	Flammable...
Explosive Limit	
Upper	Not determined.
Lower	Not determined.
Flashpoint	Not applicable.
Solubility	Not determined.
Other Relevant Data	Not determined.

pH	Not determined
Kinematic Viscosity	Not determined
Evaporation Rate	Not determined
Vapor Pressure	Not determined.
Vapor Density	Not determined
Relative Density	Not determined
Auto-Ignition Temp	Not determined
Decomposition Temp	Not determined
Partition Coefficient	Not determined
Particle Characteristics	Not determined
Molecular Weight	Not determined
VOC Contents	98.49%

Specific Information for Physical Hazards

Percentage, by mass, of flammable material: >85%. Heat of Combustion: Not determined.

Section 10. Stability and Reactivity

Reactivity

Not anticipated to be reactive.

Hazardous Reactions

None known

Chemical Stability

Anticipated to be stable in normal storage
and use conditions.

Incompatible Materials

Not determined

Hazardous Decomposition Products

None known

Conditions to Avoid

Heat, sources of ignition, direct sunlight, static
discharge, shock, vibration

Section 11. Toxicological Information

Acute Toxicity Estimates (ATE)

Toxicological Characteristics

Safety Data Sheet

AlbaChem® Citrus Screen Opener

Oral – No applicable ingredients.	Aspiration Hazard:	>10% known
Dermal – No applicable ingredients.		aspiration hazards
Inhalation – No applicable ingredients.	Skin Corrosion/Irritation:	Known skin irritant ingredients.
Carcinogen Listings	Eye Damage/Irritation	Not classifiable
National Toxicological Program:	Respiratory Irritation:	Not classifiable
No ingredients listed.	Carcinogenicity	May Cause Cancer
	Germ Cell Mutagen:	May cause germ cell mutations
International Agency for Research on Cancer:		
No ingredients listed.	Reproductive Toxicity	Not classifiable
	Skin Sensitization	May Cause Allergies skin reaction.
Interactive Effects and Other Toxicity		
None known. No endocrine disrupting properties Known	Respiratory Sensitization:	Not classifiable
	Narcotic Effects:	Not classifiable
Likely Routes of Exposure	Specific Target	Not classifiable
See section 4 for information on specific routes of exposure.	Organ Toxicity:	

Other Information

The toxicological information for each chemical is used when data is available. Chemicals without testing data which aren't known as toxins are not included in calculations.

Section 12. Ecological Information

Eco-Toxicity Estimates

Algae – No toxic ingredient.

Fish – No toxic ingredients.

Crustacea – >40 (category 3)

Persistence and Degradability

Not determined.

Mobility in Soil

Not determined

Bioaccumulative Potential

Not determined

Results of PBT and vPvB Assessment

No PBT or vPvB assessment conducted

Endocrine Disrupting Properties

None known

Other Adverse Effects

None known

Section 13. Disposal Considerations

Disposal of Empty Containers

Please recycle containers with a licensed Recycling company.

Waste Treatment Methods

Waste Treatment Methods

Disposal of Full or Partially Full Containers

Dispose of in accordance with all local regulations. Contact a licensed waste management company for questions on disposal procedures disposal of Full or Partially Full Containers

Section 14. Transport Information

Hazard Placard

UN Number

UN1950

UN Shipping Name

Aerosols, flammable (each not exceeding 1L)

Technical Name

-

Safety Data Sheet

AlbaChem® Citrus Screen Opener

Hazard Class	2.1 Flammable Gas
Packaging Group	-
Limited Quantity	Aerosol, Limited Quantity <1 L (applies)
Environmental Hazards	No.
Transport in Bulk	Not determined.
Emergency Action Code	Not determined.
Special Precautions	Do not ship with excessive weight on top. Keep in original containers.
Suitable for Transport	GROUND: YES; AIR: NO; SEA: YES

Section 15. Regulatory Information

Safety, Health, and

Environmental Regulations

EC 1005/2009 – No ozone depleting ingredients.

EC 850-2004 – No persistent organic pollutants.

EC 1107/2009 – Not a pesticide.

Montreal Protocol – No ozone depleting ingredients.

Stockholm Convention – No persistent organic pollutants.

Rotterdam Convention – Not determined.

Basel Convention – Not determined.

MARPOL – Not determined

HMIS® III (higher numbers indicate higher risk)

Health, 3; Fire, 4; Physical Hazard, 2

NFPA (higher numbers indicate higher risk)

Health, 3; Flammability, 3; Instability, 0

VOC (CARB/OTC/CEPA/ETC)

Product Category: Single Purpose Cleaner.

VOC Limit: Not applicable.

California Warnings (Prop65):

No ingredients listed.

TSCA Inventory List

All ingredients are on the TSCA inventory list as

ACTIVE or EXEMPT

REACH Registration

Contact the person responsible for the party in Section 1.

AICIS Assessment Report

Not included

Chemical Safety Assessment

No chemical safety assessment performed

Section 16. Other Information

Revision –

1

Date –

January 12, 2026,

Purpose

SDS Creation

Method of Evaluating Information

Specific chemical characteristic testing has not been performed on this formula. Bridging principles have been applied to determine formula hazard classification, acute toxicity estimates, etc.

General Disclaimer

The information is considered correct but not exhaustive and should be used only as guidance, based on the current knowledge of the chemical substance or mixture, and applicable to the appropriate safety precautions for the product. All information appearing herein is based upon data obtained from manufacturers and/or recognized technical sources. While the information is believed to be accurate, we make no representations as to its accuracy or sufficiency. Conditions of use are beyond our control; therefore, users are responsible for verifying the data under their own operating conditions to determine whether the product is suitable for their purposes and they assume all risks of their use, handling, and disposal of the product. Users also assume all risks regarding the publications of use of, or reliance upon, information contained herein. This information relates only to the product designated herein and does not relate to its use in combination with any other material or process.
